Discovery Park
DISTRICT

"Engaging with the Purdue research enterprise on a daily basis is fundamental to our decision to locate a critical component of our R&D function in Discovery Park District."

— DENNY WARNER, ROLLS ROYCE

The Convergence Center for Innovation and Collaboration

Private industry's front door to Purdue.

Located in the heart of the Discovery Park District at the western edge of Purdue University, Convergence is where private industry will collaborate with Purdue faculty, students, and one another — where ideas will be turned into discoveries and global challenges translated into innovations and impact.
